Dear [redacted]

STAT

Was delighted to learn from your letter that we shall have an opportunity of seeing you in Washington shortly. Please telephone me as soon as you are in town so that we can get together once.

I relayed the news to our people and they would like to spend a few hours with you on the 16th if it could be arranged.

I am very sorry that your vacation will be interrupted but let me assure you that all of us will be happy to see you. There are several changes in my own personal plans which information I will share with you when we meet on the 16th. In the meantime continue to enjoy your vacation and give my best regards to [redacted]

STAT

See you soon,

Michael G. Corson
